

Joe Elfanbaum

314-566-9620 joe.elfaudio@gmail.com 401 16th St NW #1179, Atlanta, GA 30363

Profile

Joe is a hard worker with a passion for sound. His ability to creatively solve problems under pressure and in team environments are some of his strongest abilities.

Experience

FREELANCE SOUND MIXER; ATLANTA, GA – 2015-PRESENT

Working on set to capture sound for film and commercials. Using a broad variety of microphones, recorders, and other technology to record the best sound possible in unpredictable locations. Work includes shorts, features, commercials, documentaries, reality television, and more.

GOTHAM SOUND AND COMMUNICATIONS ATLANTA, INTERN – 2015 (SUMMER)

Worked alongside industry standard equipment in a fully functioning sound rental house. Ran quality control on equipment, such as walkie talkies, recorders, microphones, and other technology. Assisted with rental orders on a day to day basis.

ASYNCHRONY LABS, SYS ADMIN INTERN – 2011-2013 (SUMMERS)

Assisted with day to day duties of the Systems Administration team. Construction workstations, troubleshooting workstations, maintaining servers, etc.

UNIVERSITY OF MISSOURI-KANSAS CITY, STUDENT LAB ASSISTANT – 2012

Assisted students with computer issues in computer labs, maintained cleanliness and organization of materials. Patrolled frequently to assist in troubleshooting.

Education

Savannah College of Art and Design – BFA Sound Design, May 2016

Skills

Pro Tools, Studio and Field Recording, ADR, Dialogue Editing, Sound Effects Editing, Lightroom, Photoshop, Office Suite, Web Design
